To Whom So Ever It May Concern

This is to certify that Mr. Abhiranjan Kumar, student of Indian Institute of Information Technology and Management (IITM), Gwalior, India, doing his Integrated Post Graduation (B. Tech. and M. Tech.) in Information Technology (IT), is a problem setter for HackerEarth.

He also contributed to the biggest programming challenge of India - IndiaHacks 2013. During his work as a problem setter, his behavior and conduct was found good.

We wish him success in all future endeavors.
